October 24, 1979

MEMO TO: FILE

RE: CHEMICAL RECOVERY

CC: Richard J. Bergman, Safety-Service Director
Lonny G. Shippy, City Engineer
Charles B. Coen, Supt. Waste Water Pollution Control Plant
Ernest G. Bartha, City Chemist & Health Commissioner
Archie Evans, Supt. Building Dept.

FROM: Ernest G. Bartha, Health Commissioner & City Chemist

SUBJECT: Meeting with Asst. City Prosecutor

PRESENT: John Rosenbaum, Asst. City Prosecutor
Ernest Bartha, Health Commissioner & City Chemist
Vince Howard, Fire Prevention Bureau Investigator
Bill Fullgrabe, Engineering Dept.
Greg Worcester, Asst. City Chemist

DISCUSSION:

The meeting commenced at 1:15 P.M.

- A. The letter of 10/23/79 from Mr. Bartha to Mr. Rosenbaum clarifying the Health Department order of June 7, 1979 was reviewed.
- B. The following timetable was discussed:
 - 1. Fencing of the premises should be immediate.
 - 2. Removal of dangerous drums (leaking, rusted and open drums) within 15 days.
 - 3. Removal of junk and debris within 30 days.
- C. Mr. Rosenbaum will discuss with Mr. Freeman the time he will need to bring his inventory down to only what is needed for operation.
- D. After Mr. Rosenbaum meets with Mr. Freeman and discusses the above he will inform Mr. Bartha of the results.

The meeting adjourned at 1:30 P.M.
